

**Listen
Encourage
Equip**

Facing an unintended pregnancy may create difficulties for you. There are choices that can turn your fears into confidence. Let us encourage and equip you during this time in your life. We can help you sort out the details and set up your support system so that you are ready to go forward.

The CPC is a nonprofit medical clinic that is here to listen, encourage and equip those facing pregnancy decisions. We have been serving the Jackson Metro area for over 25 years and have served over 20,000 women in our community. The CPC does not perform or refer for abortion.

Our complimentary services include:

- Pregnancy confirmation
- Sonograms
- Options counseling
- Reproductive health information
- Pregnancy support
- Parenting support
- Community referrals
- Post-abortion support
- 24-hour helpline
