

LIFE Missions/Team

Step 1: Recruit members from your circle of friends at your church, and others in your area.

Step 2: Schedule a meeting.

At the First Meeting:

- PLM will send a volunteer to speak to your group.
- Hand out brochures and a list of yearly Pro-Life events.
- Make a list of pro-life ministries already active.
- Brainstorm the needs and resources in your area.
- Assign ministries to each member to contact and offer to promote and advertise their projects and events.

Ways to Help your Church get involved:

- Serve on committees to create, co-ordinate and advertise Pro-Life events, such as:
40 Days for Life, Life Chain, Candlelight Vigils, Walk for Life, Spring Banquet, Community Education/Outreach Events
- Set up booths to distribute pro-life literature at county fairs, flea markets, college campuses
- Schedule pro-life speakers for your church, Sunday school groups, and community events
- Fundraise for outreach materials, billboards
- Collect contacts
- Start a Making Life Disciples class in your church.

Pro-Life Mississippi central office in Jackson will provide help for logistic assistance, literature for distribution, and suggestions for pro-life speakers.
